

# CAPTURE NEW BERLIN

Take a look at our city through the eyes of those who know it best!  
We're looking for photo submissions that show New Berlin in 5 separate categories:  
Architecture, Nature, Events, Daily Life, and Through the Eyes of a Child.

Photos must be  
taken in the city of  
New Berlin and fit  
into one of the  
above categories.

Be creative!  
We ask that photos do not include people.

Submit a 4 x 6 photo  
with an entry form to  
the library between  
July 1 and July 30.  
Landscape  
orientation is  
preferred.

Library visitors will  
be able to vote for  
their favorite photo  
in each category  
during the month  
of August.

Winning photos will be  
made into puzzles for  
checkout and framed  
for display in library  
study rooms!

To submit a photo, fill out the entry form on the back of this page. Turn your completed form and a copy of your picture in at the Adult Reference Desk on the 2nd floor.
